To foster appreciation of sacred music through high quality concerts, accessible and free to all.

Our Core Principals:

- **Inspirational** –Cathedral Concerts will assure that repertoire is fitting for presentation in a Cathedral setting, wherein sacred music is included in every presentation, so to uplift audiences and bring them closer to God.
- **Outreach** – Cathedral Concerts will actively promote its concerts to the Cathedral parish, throughout the Diocese, the Metropolitan area, and the music community.
- **Accessibility** –Cathedral Concerts will be actively promoted as free of charge to all who may wish to attend and will provide opportunities for the audience to interact with performers so to learn about and better understand the role of music in ministry.
- **Sustainable Legacy** – Cathedral Concerts will preserve the legacy of the free Concert Series, as begun by Msgr. Richard Burke, by maintaining sound management of fiscal resources, supported by strictly voluntary patronage, sponsorships and good will offerings.
