CATHEDRAL OF SAINT THOMAS MORE

2021 ANNUAL REPORT

 $www.cathedralstm.org \mid 703-525-1300$

My dear sisters and brothers in Christ,

Enclosed you will find our financial report for the 2021 Fiscal Year. Tried and tested, we began the year with glimmers of hope amidst the grey skies of the pandemic. Through the herculean efforts of our STM school administration in partnership with parents, we were able to open our doors to over 400 students last fall. Flexible, creative, and determined to continue offering a stellar academic experience grounded in the Gospel, the entire school community proved that learning could continue even within challenging circumstances. The Religious Education Program continued the faith formation of our youngest parishioners with virtual check-ins, classes, and Sacramental preparation. I am grateful to our catechists who brought "More" during difficult circumstances and to our parents for their dedication.

Our parish staff adapted to the new "normal" of maintaining live stream Masses, encouraging fellowship in socially safe events, and working with our diocesan partners to bring the Good News to you and those beyond Cathedral Lane.

Our patron Saint challenges us to be "God's servant first;" to be More for others; to care More for others; to connect More with others. We did this through collections for the St. Lucy Food Project, Christmas turkey dinners, socks for the homeless and our new collaboration with the Capital Area Food Bank. Our entire Parish community banded together each month to distribute fresh produce and shelf stable items. A group of fifth graders even raised \$300 towards this effort! Since its inception, more than 2500 persons have been served. Hundreds of pounds of produce and pantry items are provided monthly.

As with many other Churches, we have been severely impacted by the pandemic; our Offertory is 4.3% down from last year; the good news, is that this deficit was less than FY 20. The Church's Small Business Administration loan of \$164,090 will be converted to a grant and reflected in FY22 budget. We reduced the deficit gap inspite of decreasing revenue. Our expenses continued to rise this year, though at a reduced rate from 2020. We were faced with significant capital expenditures such as replacing the AC chiller and upgrading the video and camera equipment in the Church. Overall, the Parish and School combined realized a slight surplus this year.

Moving forward, it is imperative that we increase our Offertory to meet current responsibilities, plan for our future, and, especially prepare for unexpected maintenance expenses. I ask you to prayerfully consider your level of financial stewardship. We need your support if we are to gain solid fiscal footing.

The funds we receive from Faith Direct have played a pivotal role in mitigating our budget shortfall. They allowed us a consistent income regardless of challenges to in-person attendance. Please consider enrolling in this safe, secure, and convenient stewardship method at https://membership.faithdirect/va326 or Text-to-Give at 703-382-5722.

Our Gospel will continue to be proclaimed because of you, the good people of God. Thank you for your continued witness. Father Patrick Posey
