

## Helping women know Christ's love, mercy, and acceptance

At Walking with Purpose, our mission is to help every Catholic woman and girl in America to open her heart to Jesus Christ. Our Bible studies enable women to know Christ personally through Scripture and the teachings of the Roman Catholic Church.

*"Walking with Purpose provides a weekly opportunity to slow down and reflect on the gospel and how to apply it to my life. And it has provided a nice outlet to meet other women and make new friendships!"*

— Participant at St. Anastasia Parish, Troy, MI

Walking with Purpose endeavors to meet all participants wherever they are in their spiritual journeys, and we welcome women of all faith backgrounds.

**Walking with Purpose** is active in hundreds of parishes in the U.S. and has helped tens of thousands of women deepen their relationship with Christ.

- **96%** of participants report that their prayer life is improved
- **98%** say their relationship with Christ is stronger
- **92%** would recommend WWP to a friend because it works

Walking with Purpose is the most comprehensive program I am aware of, within the context of friendship, beauty, and hospitality. The God-given principles for grace-filled living are shared with clarity and charity."*

— Curtis Martin, founder of FOCUS

For women who desire to grow in their Catholic faith, seeking connections with like-minded women

For girls who are bombarded with lies about their true worth and beauty
